

Dragon Boat Paddler Individual Application

Cornwall Waterfest Dragon Boat Race
Saturday August 11, 2017

JOIN A TEAM

Do you want to join in the fun of dragon boat racing but are not sure how to get started? We can help you connect with others who would like to build a community or competitive division dragon boat team. Sometimes teams are missing a few paddlers and are looking for people to complete their crew. Practice times will be available during the summer to help participants learn the dragon boat paddling technique and hone their skills as a team.

Submit the form below, and we will let you know what options are available.
